Athearn gives HO-scale Electro-Motive Division SW1500 a makeover

By [Greg Meyer](#)

For the past several years, Athearn has been steadily improving the quality of its HO-scale locomotives. The company's new Electro-Motive Division (EMD) SW1500 is a testament to this commitment. The locomotive is a highly detailed model of the real thing, featuring a variety of realistic details and a high level of accuracy.
